Weekly Lesson Plan

Semester 2

AY 2022-2023

Week 33: May28- June01, 2023	TOPIC AND MATERIALS	Homework / Assignment	References/Comments
SUNDAY 28/May/2023			
English	PORTFOLIO EVALUATION	Keep updating your portfolios on a weekly basis, if not daily. You may add some of the works completed in class, like: 1. A collage of photographs 2. An infographic 3. A video clip 4. A creative response (eg: poem, sketch, board display, model, etc...) 5. Draft of a speech 6. A curated BoW of a non-literary text	Make sure the format you choose to share your work in, is easily accessible. The Portfolio is a MANDATORY part of the Lang & Lit Course and needs to be shared as proof of your progress through Year 1 of ibdp studies. Portfolio entries with PPT presentations full of reading material are VERY POOR representation of your research and creative work.
