*Dear Students,  
I was your teacher for 4 years. We come to the end of French Classes.  
My wish for you is that you see the light in this world, in yourself, and in others. I see the light in you.  
Compliment others, and be proud of your own accomplishments. I am proud of you. Believe in yourself, for you are stronger than you know. I believe in you.  
Try hard, but know your limits. Ask if you need help, and trust others will help you. I will help you.  
Fill your heart with laughter and smile often. I love to see your smile.  
You are a unique, special, and amazing person. There will never be another you. I appreciate all of you.  
Dream, believe, wonder, inspire, love, nurture, and always listen. That is what I will do for you.  
Love,  
Your teacher,  
Mrs Ibtissem Labidi*
