### MATH PROJECT

Due Sunday 27<sup>h</sup> May, 2018

Grade 2 students are required to do a MATH project for this term.

Kindly Choose one of the following topics for the project:

- 
- Numbers to 1,000 that they had learnt in topic 9.
- Solving addition problems within 1000(Adding 3 digit numbers) using any strategy they had learnt in Topic 10 and Topic 11.
- Solving subtraction problems within 1,000(Subtracting 3 digit numbers) using any strategy they had learnt in Topic 10 and Topic 11.
- 
- Graphs and data that they had learnt in Topic 14.

The project will be graded on layout and presentation as students will present their project in front of the class and will be graded upon that

Project should only be

- Done on an **A5** size paper
- **Handwritten** by the students themselves(no printing or parents' work)
- **Title, student name, class** should be mentioned on the project.

Ms. Mariam Latif
