MATH PROJECT

Due Sunday 27^h May, 2018

Grade 2 students are required to do a MATH project for this term.

Kindly Choose one of the following topics for the project:

-
- Numbers to 1,000 that they had learnt in topic 9.
- Solving addition problems within 1000(Adding 3 digit numbers) using any strategy they had

(P. T. O)

learnt in Topic 10 and Topic 11.

- Solving subtraction problems within 1,000(Subtracting 3 digit numbers) using any strategy they had learnt in Topic 10 and Topic 11.
-
- Graphs and data that they had learnt in Topic 14.

The project will be graded on **layout** and **presentation** as students will present their project in front of the class and will be graded upon that

Project should only be

- Done on an **A5** size paper
- **Handwritten** by the students themselves(no printing or parents' work)
- **Title, student name, class** should be mentioned on the project.

Ms. Mariam Latif
