INTRODUCTION LETTER

Welcome to the new Academic Year 2019-2020

Dear Parents,

I would like to take the opportunity to introduce myself.

My name is Ms. Asia and I am honored to be your child's KG2 teacher for the 2019-2020 school year at Ahlia School. I am graduated from Allama Iqbal University, and did my diploma in Early childhood Education from University of Bahrain. I am also Montessori qualified. I have 18 years experience working with Pre-School children.

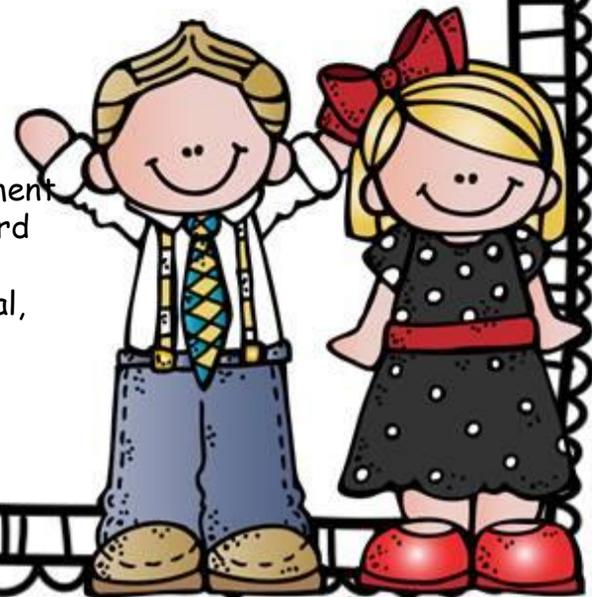

I would also like to introduce you to my Assistant Ms. Angella. She is a professional and is very talented and your children are absolutely going to love her.

Every child is a unique miracle of nature we will therefore acknowledge and respect the singular character of each child, while gently guiding them in a general direction toward fun and fulfillment.

To encourage the reception and retention of enlightenment, the KG-2 will create a fun, vibrant climate with music, colors, sounds, tactile activities, and healthy play, for early progress. Areas are designated for children to grow imagination and play through the liberal use of books, puzzle and blocks, in a play area, teachers sing, read stories and play games designed to encourage recognition of shapes, colors, and acquire progressive communication and motor skills. Teachers will plan a routine emphasizing consistency needed by every child.

AIMS:

- Provide a disciplined, caring and safe environment.
- Provide challenging, relevant and developmental appropriate curriculum that promote individual achievement and growth. Maintain a continuous attitude geared toward improvement and excellence.
- Build an educational structure focusing on the physical, emotional, and social needs of each individual child

INTRODUCTION LETTER

On a daily basis, please check your child's **diary**, as I would use it to communicate in the diary and please make sure that they are **signed** by you. All the letters from administration will be found in the diary and please make sure that they are **signed** by you.

Also include in this letter some rules of my class. Please discuss these rules with your child:

Students need to be attentive during lessons.

No "junk" food is allowed to school, such as: chips, chewing gum, sweets, and soft drinks.

No toys of any kind allowed from home (except for the special days).

Students are asked to be polite to their classmates and teachers.

I am looking forward to working with you and your child in reaching their full potential. We will have many wonderful experiences & opportunities to learn and grow in the days ahead. This year will be a challenging one for your children as compared to last year; however, I will try to make the classes more interesting as well as easier, so that each child understands as well as enjoys them. I hope to make this academic year, an educational as well as a fun filled year for the students.

I believe that communication is the key to a great parent-teacher relationship. I encourage you to contact me if you have any questions or concerns at any time. You can send me a note or call me at the schools telephone number. For individual concerns, I will contact you by phone, send a note home, or email you (if email is provided).

I am looking forward to meet as well as know each student of my class and their parents too. If you would like to meet me to discuss your kid's performance or any other problems that he/she is facing in class, you may feel free to see me after 1:00 pm. It will be appreciated if you inform me a day in prior to fix the meeting.

Thank you for working with me as a partner in your child's education. Together, we can help your child have a successful year.

Warm regards,

Ms. Asia Rafiq Uz Zaman

Pre-school Sept 2019

INTRODUCTION LETTER

DEAR PARENTS,

Welcome to Ahlia School! After a tremendous summer, we are all ready to start a new school year that I expect to be full of learning and fun!

I am Mrs. Marie-Caroline Fine. Teaching is an absolute passion of mine. I will be teaching Pre-school KG1 and KG2 this school year 2019-2020. It is going to be a bright and amazing year with your children. We will speak, sing, play, watch, create and live in French!

To me, language is the best asset to socialize, discover and interact with people. I thought you might like to know a little bit more about me. I am from France. I have arrived in Bahrain in 2011. I start my 9th year as a teacher. I graduated from the French university. I have a Bachelor and a Master Degree in modern languages. I completed my post-graduate studies with the University of Nottingham and obtained a Post-Graduate Certificate in Education.

With Pre-school this year, we are going to discover French through speaking, singing and doing some role plays. My aim is to give your children confidence to express themselves in French.

I am looking forward to meeting you and your child!

Kind regards,

Marie-Caroline Fine
