INTRODUCTION LETTER

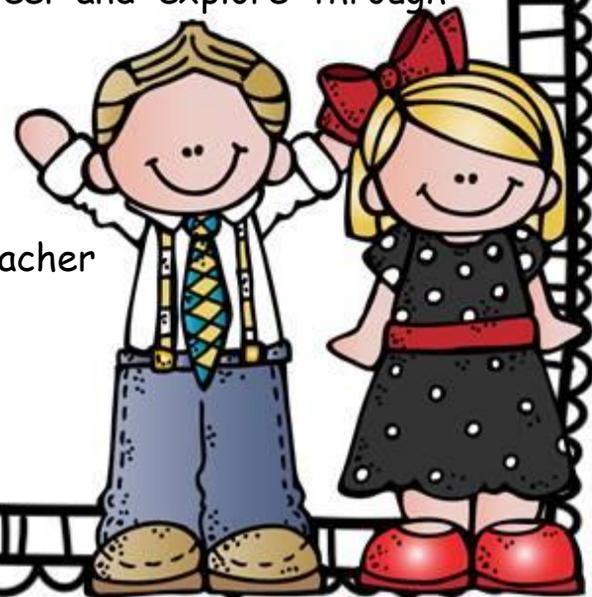

Welcome to the Flamingo Class .

My name is Ms. Shamaila. I shall be your child's homeroom teacher this year. I am from Pakistan and have been living in Bahrain for the past 14 years. I have a Post-Graduation Degree in Education. I am also Montessori qualified director. I have been teaching Kindergarten students for more than 16 years. This will be my 5th year working at Ahlia Pre-School. My teaching assistant is Ms. Nazreen who is experienced and very caring.

KG2 is one of the most important years for your child. They will be developing their language skills and understanding of concepts in various other subjects, helping prepare them for next year before entering grade one. We hope this year will be an exciting time for your child.

My teaching philosophy is that each child is unique, and they learn in different ways. One of my jobs as a teacher is to help your child discover his or her own individuality by allowing the child to explore things in his/her own way and time to develop to their full potential. I believe in hands-on experience, to touch, feel and explore through different mediums. For this I will ensure that the classroom environment always stays interesting and engaging for the children.

As the children are young, we will start gradually building their confidence through teacher guided activities as well as planning for child initiated play. Our main aim is to settle the children and make them feel comfortable and happy to be at Pre-school.

INTRODUCTION LETTER

As we encourage healthy eating habits please do not send fried foods, sweets, fizzy drinks, chewing gum and chocolates to school. We adhere to a strict NO NUT policy.

Please label all your child's clothes, shoes, lunch box, water bottle and spare clothing as many children have the same items. For your child's safety, please do not send them to school with necklaces or high heeled shoes (e.g. dress-up shoes). I encourage children to bring a toy to school (not very expensive or very big) to help them feel comfortable.

To help minimize the spread of germs, we would request you to please do not send your child to school sick i.e. if your child has fever or green nose discharge. The best place for any sick child is at home where they are most comfortable.

I believe that a good parent-teacher relationship is necessary for your child's success. Throughout the year, I will be communicating through notes in the diaries, telephone calls, progress reports and report cards. We will hold parent and teacher conference twice in a year. However, if you have any questions or concerns during the year, please do not hesitate to contact me through the school or by making an appointment between 1pm to 2pm.

I hope to have a wonderfully joyous year with your child in my class and I hope to have a great relationship with you as parent. Together we can make this year, for your child a wonderful experience before they go on to the first grade.
Best Regards,

Ms. Shamaila & Ms. Nazreen (The Flamingo Class)

Pre-school Sept 2019

INTRODUCTION LETTER

DEAR PARENTS,

Welcome to Ahlia School! After a tremendous summer, we are all ready to start a new school year that I expect to be full of learning and fun!

I am Mrs. Marie-Caroline Fine. Teaching is an absolute passion of mine. I will be teaching Pre-school KG1 and KG2 this school year 2019-2020. It is going to be a bright and amazing year with your children. We will speak, sing, play, watch, create and live in French!

To me, language is the best asset to socialize, discover and interact with people. I thought you might like to know a little bit more about me. I am from France. I have arrived in Bahrain in 2011. I start my 9th year as a teacher. I graduated from the French university. I have a Bachelor and a Master Degree in modern languages. I completed my post-graduate studies with the University of Nottingham and obtained a Post-Graduate Certificate in Education.

With Pre-school this year, we are going to discover French through speaking, singing and doing some role plays. My aim is to give your children confidence to express themselves in French.

I am looking forward to meeting you and your child!

Kind regards,

Marie-Caroline Fine
