Dear Parents,

Welcome back readers to the new issue of our school newsletter!

We are looking forward to continue the Second Semester full of hope and expectations. Exciting days are ahead of us just waiting to be explored. We face the New Semester with fresh ideas and we are ready to tackle the challenges ahead of us.

The way to achieve true excellence in life is by doing the things you want to excel at repeatedly. Make every activity a habit and you shall excel. Always remember that practice makes one perfect and you shall excel.

## Ahlia Preschool Favorite Animal Dress up Day (26/01/2017)

During the month of January the kids explored the topic "All about Animals". Together we enjoyed identifying different animals, exploring their special features matching baby animals to their mothers and learning how to make different animal sounds. As a culmination of the theme we held the "Favorite Animal Dress up Day" where all the Preschoolers showed off their different animal costumes.

## Superhero Day

There is no child that doesn't have a favorite super hero or princess. Superhero day was held on the 2<sup>nd</sup> of February 2017 and aimed at highlighting the special powers, attributes and qualities that famous superheroes and princesses use to make the world a better place.

Students had great experiences through fun and exciting activities during the week, both outdoors and in their classrooms.

Among the activities students enjoyed were essay writing , drawing and customizing their own superhero , games, classroom storytelling and arts and crafts.

## From the Social Counselor's Office

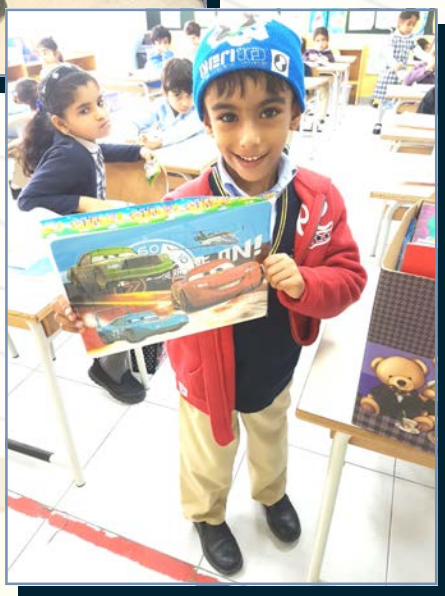

In cooperation with the Social Counselors Department and the English Department , a behavioral competition was held between Grades 4A and 4B and between Grades 3A and 3B. We are proud to announce that Grades 4b and 3B were chosen as the most well behaved classes this term and were rewarded with a trip to watch the animated movie (Trolls).

Appreciation for the staff who actively collaborate in motivating the students for the counselor office programs.

Surprising students during classroom time for their outstanding behavior.

## Early Attendance

'Early Attendance' is an ongoing program that Ahlia School conducts for Elementary and Middle School students & staff. It is overseen by the Social Counselor's department.

Researches have indicated a significant and positive relationship between early attendance and students' personal and academic development.

The school aims at encouraging students to nurture such habits as they enhance their learning significantly.

## National Sport's Day Event (7-Feb-2017)

Ahlia School was part of a massive school event called out by the Ministry of Education which was conducted throughout all the schools in Bahrain. The Sports Event took place on the 7<sup>th</sup> of February 2017. The event engaged all school community members in motivating and challenging activities. Peschool, Elementary and Middle School students along with all their teachers enjoyed competing and participating in fun group activities.

## Parent Teacher Conference Preschool ( 20<sup>th</sup> February 2017)

## Parent Teacher Conference Elementary ( 16<sup>th</sup> February 2017)

(9<sup>th</sup> -11<sup>th</sup> of Feb 2017)

**Bahrain Schools Expo 2017** was an annual event that brought together private schools, preschools, nurseries, kindergartens and educational institutions from across Bahrain to present their educational systems, curriculums, facilities & tuition fees.

The Exhibition delivered joyful entertainment programs including play area and learning exercises for the kids to enjoy their time while the parents were busy screening the stalls.

Ahlia School participated as an exhibitor in the Bahrain School's Expo for the first time with aims to get more exposure , raise awareness and promote the school as a strong brand and competitor in the market. Our booth was a mini showcase of some of the school's facilities, including tangible recourses that allowed the visitors to sense, feel, explore and relate to some of the unique features our school offers.

## Bahrain Schools Expo

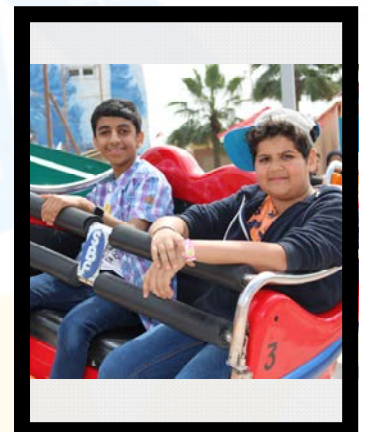

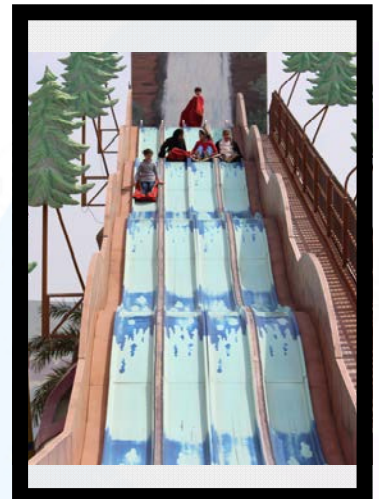

The Ahlia School Family Fun Day took place in Adhari Park on Saturday , February 25<sup>th</sup> 2017. All students and their families attended to enjoy the fun filled day.

The event consisted of different activities conducted by our teachers as well as other professionals. Also , a mini market show casing a variety of child friendly products and activities were available throughout the day. In addition, Adhari Park rides were open to all our guests during the time of the event.

## Book Fair 2017 ( 5<sup>th</sup>-9<sup>th</sup> March 2017)

As part of the World Book day activities which takes place in the month of March every year, Ahlia school held a Book Fair in coordination with Barnes & Noble bookstore. A fun day “Favorite book character” was held for all students, which gave them the fun and exciting opportunities to use their imagination and creativity to come to school dressed up as characters from their favourite books.

## Future Scientists

Our Middle School students participated in 'Future Scientists' competition held by Ministry of Education on 13<sup>th</sup> of March 2017. Our invention was 'Cybo Prosthetic Hand' by Ebrahim Ali and Yasser Abbas, supervised by Ms. Somaira Bilal. Well done!

The presentation given by the EWA representative on the 12<sup>th</sup> of March 2017 was very informative and caught the interest of our grade 3 students. Saving water and energy is a community effort and it starts from each and every one of us. Let's do our part as good citizens of the world and help save water and electricity.
