Classroom News

Welcome to the last month of the year, how quickly the time has passed!

Last month the children really enjoyed the “Growing” theme, especially planting and watering their plants.

Our December Theme is “All about Bahrain” and we are going to celebrate Bahrain National Day. We will be talking a lot about Bahrain - culture, famous places, people, traditional dresses, food, plants, animal etc. We will be doing a lots of art and craft activities such as Bahrain map collage, Bahrain flag, palm trees, camels, people...

An activity to do at home is to look at different magazines and newspapers and cut out pictures with anything related to Bahrain (Bahrain map , flag, people, famous places, food, plants, animals ...) - then send it to class so we can used them for our display boards and projects.
