# KG1 Classroom March 2017

## Reading readiness

**Dear parents,**  
Please note that this month we will be working on your child's reading readiness which includes skills like:

The identification of beginning, middle and ending sounds.

Vowels a, e, i, o and u.

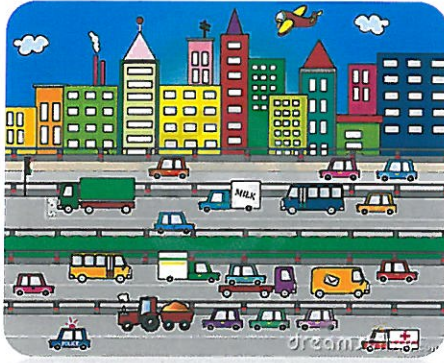

Reading short "a" words such as man, cat and mad.

## Classroom News

Dear KG1 Parents,

Throughout the month we will be learning all about community helpers. Children will have a chance to explore and learn about the various roles found in the community such as fire fighters, teachers, doctors, construction workers, bus drivers etc. We encourage you to speak to your child about your job and what you do at work and how it is helpful for the community. This theme is a great opportunity for children to appreciate all the working hands in the community.
