Classroom News

Thank you for all your support during our Family Fun Day. It was a very happy, successful day and we really enjoyed sharing this event with our parents.

Our theme this month will be ‘People Who Help Us’ & ‘Transportation’.

Each 2 weeks we will be talking about a new profession, how they help us in the community, and what type of transportation they use. For example how doctors and fire fighters save our lives, who to call for an emergency and car safety.

We will also make police badges, hats and cars to feel more like officers in class. We will continue to learn about firefighters, doctors, builders and cashiers. We will look at the uniforms they wear, how they help us and learn new vocabulary regarding each profession for example emergency, dump truck, ambulance, siren, 999, ladder, uniform, stethoscope, cashier, etc.
