Having fun in the Soft Play:

Classroom News

Thank you for all your support during our Family Fun Day. It was a very happy, successful day and we really enjoyed sharing this event with our parents.

Our theme this month will be 'All about Transport and People who help us'. We will explore all the different ways of traveling, including land, rail, air and sea transport. We will talk about what each vehicle is used for and we will be learning to name and recognize different types of transportation.

We will also be looking at "People who help us" in our community - doctor, firefighter, teacher etc. We will discuss how different professions help us in the community.

We will also have fun singing songs, reading stories and making crafts throughout the month to help reinforce our new theme.
